Regular meetings take place with these and other ringing organisations. There is extensive promotion and organisation of Training Scheme Day Courses and Workshops.

#### **Risk Analysis**

The Association maintains a comprehensive risk analysis of its activities and is putting measures in place to mitigate the risks faced wherever possible.

#### **OBJECTIVES AND ACTIVITIES**

The objects of the charity are listed in the constitution: Association of Ringing Teachers :: ART Constitution

Our key mission is to maintain the quintessentially English art of ringing changes on church bells and hand bells by training teachers and ringers for the future.

#### Staff and Volunteers

The Association employs a part-time Office Manager and two part-time paid administrators. All the trustees are volunteers and none receives any remuneration, other than expenses, for their work. Other volunteers assist the Association in its work through the provision of advice on matters such as safeguarding, recruitment, information technology, communications, tutor development, educational development, fundraising, running its merchandising arm and helping the Administrators.

#### **FINANCIAL REVIEW**

2022 saw a return to near normal income levels with a record number of courses being run. A new member of staff joined the administration team during the year, necessary to maintain services while ART continues to grow, but with associated additional salary costs. In the long term it is expected that these costs will yield corresponding increases in income but for 2022 the main operations incurred a loss of £6,041 despite the continued support of our sponsors and members. Merchandising sales achieved an improved profit of £6,525 leaving the organisation as a whole with a net surplus of £484.

The Trustees consider it necessary and in the best interests of ART to maintain a balance of 'free' unrestricted funds which have not been committed or designated for a particular project. This reserve fund is required to enable the organisation, in the short-term, to maintain ongoing services and enable financial commitments to be fulfilled and is estimated to be a minimum of £35,000, see also Note 4 to the accounts.

The Trustees have established a reserves policy whereby the unrestricted funds not committed or invested in tangible fixed assets (the free reserves) held by the Association should be at least equivalent to one year's expenditure, approximately £35,000 for 2022. At this level the Management committee are confident that activities could be maintained in the event of a significant drop in funding and allow sufficent time to secure alternative funding or failing that, to wind up the Charity. At 31st December 2022 free reserves amounted to £50,340, considerably above the target level. The free reserves equate to the net assets of £86,073 less that committed to restricted funds totalling £15,583, (comprising the Len Roberts Award Fund of £7,500, the Recruitment Reserve of £2,435, and the Sarah Beacham Memorial Fund of £5,648) and the Designated Funds of £20,150 (comprising the Heritage Lottery Fund Project of £10,000 and the Son of SmART ringer Development of £10,150.

### Independent examiner's report to the trustees of The Association of Ringing Teachers (ART)

I report to the trustees on my examination of the accounts of the Association of Ringing Teachers (The Trust) for the year ended 31st December 2022.

#### Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act, and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

I further note the Trustees' decision to classify the funds received in respect of both the Heritage Lottery Fund Project and Son of SmART Ringer Development as Designated Funds rather than Restricted Reserves.
